

Total-Shield Plus HG®

RTU Sporocidal/Viricidal/Bactericidal formula

FEATURES

- Formula is ready to use (RTU), no mixing required.
- Fast-acting efficacy against Spores, Viruses, Bacteria, Mold, and Fungi
- All In One: Detergent, Cleaner, Disinfectant, Sporicide/Sterilant, Deodorizer and Fungicide
- Biodegradable-Safe for the environment
- Residue Free
- No bleach and no Ammonia
- Made in the USA

BENEFITS

- Highly effective sporicidal cleaner
- Saves Time- No need to use both a cleaner and disinfectant
- Tested to effectively remove hazardous drugs from hard, non-porous surfaces including stainless steel
- Outperforms Other Disinfectants and Cleaners Combined
- Sterilizes as it cleans
- Highly Compatible on most non-porous surfaces including stainless steel and aluminum
- Fresh Mint Scent

APPLICATIONS

Multi-purpose surface disinfecting in critical and non-critical areas and all non-porous surfaces including tables, counters, laminar flow hoods/benches, floors, walls, ceilings, anterooms, etc.

Ideal for use in Hospitals, Medical, commercial environments, cleanrooms, patient rooms, exam rooms, cafeterias, restrooms and waiting rooms.

*Lab testing available upon request
